

Meraki - On-device setup

- To enroll
1. From the device, open: m.meraki.com
 2. Enter your Network ID: **079-440-8842**
 3. Press register
 4. In the profile that appears, press 'install', then 'install' again to confirm

- To un-enroll
1. On the device, open 'Settings'
 2. Select 'General'
 3. Select 'Profiles'
 4. Select 'Meraki Management'
 5. Click 'Remove', then 'Remove' again to confirm

For easier enrollment, you can also use the [SM iOS app](#), now in beta!

Scan the following QR code using the [SM iOS app](#):
