SPRING BREAK CAMP AT LIGHTHOUSE

Isa Tactequiza, 5, enjoys time playing with a Hula Hoop on Monday at Lighthouse Christian School in Gig Harbor. Spring break is this week, but that doesn't mean students aren't at the school. Lighthouse is hosting a spring break camp from 9 a.m. to 3 p.m. Monday through Friday. "It's PE, recess and sports camp all in one package," Lighthouse Principal and Director of Education Stephen Roddy said. Teacher Greg Albert is leading the camp. "He's doing it for free," Roddy said. "Nobody's paying him for this." All of the proceeds raised from the camp will go to Lighthouse's sister school in Liberia, Roddy said. "It is pretty cool," he said.
